

HTE Permanent Recruitment Framework Success

NEWS RELEASE

HEALTHTRUST EUROPE™

We are pleased to announce that Linea has been awarded to the **Healthtrust Europe Total Workforce Solutions National and International Permanent Recruitment framework**.

The framework aims to provide a comprehensive and efficient solution to the recruitment challenges faced by healthcare organisations and wider public sector, ensuring that organisations have access to the skilled workforce they need to deliver high-quality patient care.

Benefits for Healthcare Providers

Access to a Larger Talent Pool: Broadens the scope of potential candidates, increasing the chances of finding the right fit for various roles.

Reduced Administrative Burden: Simplifies the recruitment process, allowing healthcare providers to focus on patient care.

Improved Quality of Hire: Ensures that candidates meet the necessary qualifications and regulatory requirements.

Flexibility: Adapts to the changing needs of healthcare providers, accommodating both short-term and long-term recruitment needs.

Linea has been awarded to the following lots:

- Lot 1a - **Permanent Clinical Recruitment** and Project Resourcing (including Recruitment

Process Optimisation)

- Lot 1b - **Permanent Non-Clinical Recruitment** and Project Resourcing (including Recruitment Process Optimisation and Statement of Work)

Our Permanent Recruitment Services, aligned with NHS standards, deliver exceptional candidates for long-term success. We tailor recruitment strategies to client needs, supported by a diverse team with clinical expertise. From job advertising to onboarding, we manage the entire process, ensuring compliance and addressing challenges through clear communication, streamlined procedures, and a focus on diversity and inclusion.

"Our inclusion in the HTE Total Workforce Solutions National and International Permanent Recruitment framework is a testament to Linea's commitment to supporting healthcare and public sector organisations in overcoming their recruitment challenges. By providing access to a broader talent pool and streamlining the recruitment process, we're supporting healthcare providers to focus on delivering exceptional patient care. We are proud to ensure our clients can secure the skilled workforce they need to thrive."
