

Linea Joins HTE Temporary Staffing Solutions Framework

NEWS RELEASE

HEALTHTRUST EUROPE™

We are pleased to announce that Linea has been awarded approved supplier status on the HealthTrust Europe (HTE) TWS III Temporary Staffing Solutions Framework for the following lots:

- Lot 3b: Nursing and Care Service Workers
- Lot 3c: Allied Health Professionals and Health Science Service Workers
- Lot 4: Non-Medical and Non-Clinical Workers, including Executive Recruitment

The HTE framework aims to address the recruitment challenges faced by healthcare organisations and the wider public sector, ensuring they have access to a skilled workforce needed to deliver high-quality patient care efficiently.

Benefits for Healthcare Providers

Access to a Larger Talent Pool: Broadens the scope of potential candidates, increasing the chances of finding the right fit for various roles.

Reduced Administrative Burden: Simplifies the recruitment process, allowing healthcare providers to focus on patient care.

Improved Quality of Hire: Ensures that candidates

meet the necessary qualifications and regulatory requirements.

Flexibility: Adapts to the changing needs of healthcare providers, accommodating both short-term and long-term recruitment needs.

At Linea, our approach to staffing solutions is tailored to meet the specific needs of our clients. Our extensive experience in healthcare ensures that we deliver exceptional candidates aligned with industry standards. From job advertising to onboarding, we manage the entire process while ensuring compliance and addressing challenges through clear communication, streamlined procedures, and a focus on diversity and inclusion.

"We are thrilled to be included in the HTE Temporary Staffing Solutions Framework, which underscores Linea's commitment to supporting healthcare and public sector organisations in overcoming their staffing challenges. By providing access to a broader talent pool and streamlining the recruitment process, we support healthcare providers to focus on delivering exceptional patient care. We take pride in helping our clients secure the skilled workforce they need to thrive."
